

UNITED STATES DISTRICT COURT  
SOUTHERN DISTRICT OF NEW YORK

Akeel Abdul Jamiel,

Plaintiff,

-against-

Abel Viveros et al.,

Defendants.

1:19-cv-01389 (GBD) (SDA)

ORDER

**STEWART D. AARON, United States Magistrate Judge:**

The Court is in receipt of the attached email that was sent by Plaintiff to Chambers yesterday. Plaintiff is reminded that parties are not authorized to communicate with the Court via email or *ex parte* (without copying the other side) and all communication should be via letter filed on ECF. While the Court will continue to email copies of Orders to Plaintiff as a courtesy and to ensure timely receipt, Plaintiff should not substantively respond to such emails.

To the extent that Plaintiff objects to any of Defendants' document requests he should inform Defendants and, if the parties cannot agree on a resolution, Defendants can make a motion to compel production, which will be resolved promptly by the Court. Plaintiff is not expected to produce documents that are not within his possession, custody or control. Nonetheless, the scope of discovery in federal court is broad and given the short amount of time before Plaintiff's scheduled deposition, the parties are strongly encouraged to work together in good faith to come to an agreement regarding the documents to be produced by Plaintiff.

A copy of this Order will be mailed and emailed to Plaintiff by Chambers.

**SO ORDERED.**

DATED: New York, New York

Thank you your honor.

The defendants asking for my criminal record and other paperwork that have nothing to do with this civil case. They want to treat me as if I am on trial for a crime I committed. If I submit my cell phone and laptop then how can I receive emails and do my paperwork. Also they want all the paperwork pertaining to this lawsuit and the Sullivan county lawsuit paperwork. I have lost my old laptop that crashed and most of the paperwork I have did on it. Most of the things they want from me are Absurd. But I will submit what ever I have and capable of producing. Also I have been hearing rumors that Maison Kayser have a hand in on the hits that's been put on me recently. I don't know how true it is but Authorities will get to the bottom of it real soon and everything will surface. Just yesterday I submitted a criminal complaint to the FBI headquarters in Washington D.C and I'm awaiting for the truth to come out. Thank you your honor and it's been an honor receiving another email from your chambers.

Sincerely  
Mr. jamiel
